EHRlich ENDORSES CRAIG FOR A SECOND TERM AS COUNTY EXECUTIVE

“The right person, for the right job at the right time”

(Bel Air, Maryland) – Governor Robert L. Ehrlich, Jr. formally endorsed County Executive David R. Craig in his bid for another term as County Executive. “I have known David for many years, and have worked with him when we served in the General Assembly together. He truly loves Harford County and has always looked out for the best interest of its citizens. I have followed the County Executive’s progress over the past few years, he truly understands as an executive how to strike a balance in government. As a true fiscal conservative, when the state was raising the tax burden on its citizens, he sought ways to improve efficiency, reduce the size of government, and offer tax relief to Harford’s citizens, Said Ehrlich. He is the right person, for the right job at the right time”.

“As County Executive, I share Bob’s vision for a better Maryland, and thank him for his friendship and continued support, said Craig. We are still in difficult times, and we need Bob’s leadership back in Annapolis, so together we can make Harford County, and Maryland a vibrant place to build a business, create jobs, and raise a family.”

Ehrlich joins many other notable Republican and conservative leaders in endorsing County Executive Craig for a second term. A video of Ehrlich’s endorsement can be viewed at www.davidcraig.com or David Craig’s Facebook page.
